Community Committee: Suzanne reported the nursing home visit went very well. More visits are being planned.

Handling Class: The June and July classes are set. Due to the large numbers attending, a discussion of breaking the class in two to give more quality time for each dog.

Show Committee: Our show was a successful show. Our overall entries were very low compared to last year. We are not sure if this would be the fear of the weather with so many other clubs cancelling their shows because of the weather conditions. Not sure if it was the selection of judges, which I will take responsibility for. The Hospitality was spot on with everyone working together to be considerate, accommodating, pleasant, able to jump in and fix any issue that would arise . We communicated well and are a great working team. The round tables were a hit with the judges. However, the judges and ring stewards showed us there is no hard and fast rule that they must seat separately. They enjoyed sitting together. In the future there will be no separate tables. We received many compliments from the judges and exhibitors how relaxing and fun the show was. Club members shared their thought and feelings about the show. Overall a very nice event .

Show Treasury Report: We received a check from Rau for \$9500. Too soon for full report. Suzanne will have more at the next meeting.
