President's Report: Thank you to everyone who helped with the show this July. The weather definitely made working at this show above and beyond the call to duty. We survived and from all reports the judges and exhibitors thought our two clubs did an outstanding job and there were kudos all around at how well two kennel clubs worked together and got along so well. How refreshing is that? Please send any suggestions you have for the show to Fran. The cluster committee will be meeting in September to talk about next year.
