In this workshop, you will learn about reading canine body language and how to identify your dog's triggers (e.g., does your dog worry about the judge's exam? being up on a table? being around other dogs? the noisy environment? etc.) You'll learn how to use behavior modification to change your dog's view of the show ring. While appropriate for shy or fearful dogs, this is also for dogs who just don't seem to be that excited about showing.
